DRESS CODE VIOLATIONS

“When In Doubt, Leave It Out!”

If there is doubt as to whether or not the attire may be a violation of the Cass Tech Dress Code, it should be assumed that it probably is a violation. Students should seek clarity from the Office of Student Affairs before putting themselves at the risk of disciplinary action due to dress code violations.

Parent/guardians of students found in violation of the dress code will be contacted by the teacher or school administration for remediation. The parent/guardian must bring appropriate attire to the school for the student to change and continue their school day. Students who violate the Dress Code Policy will be subject to disciplinary action and repeat violators will be sent to the Office of Student Affairs and will not be allowed to attend classes.

****Repeat dress code violations will be considered insubordinate and will be disciplined in accordance with the DPS Code of Student Contact.**
